

## **LARRY BERG**

President and Chief Executive Officer  
Vancouver International Airport Authority

---

Larry Berg joined the Vancouver International Airport Authority at its inception in 1992 and was Senior Vice President Operations prior to his appointment as President and Chief Executive Officer in 1998.

Born in Alberta, Canada, Mr. Berg holds a Bachelor of Education degree from the University of Alberta and a Master of Science degree in Business from the University of Oregon. He commenced his business career in human resource management within the mining industry and was Vice President, Administration for a major Canadian energy company, prior to joining the Authority.

Mr. Berg is a director of the Vancouver International Airport Authority and a director of its subsidiary company, YVR Airport Services, which operates 18 airports within Canada and internationally. Mr. Berg is currently Chair of the Business Council of British Columbia; past Chair of the Canadian Airports Council; past Chair of the Greater Vancouver Gateway Council. He is a director of Airports Council International, a director of the VGH/UBC Hospital Foundation and a director of Canada Line Rapid Transit Inc, established to oversee the construction and implementation of the Richmond-Airport-Vancouver rapid transit link. He received an Honorary Doctorate in Technology from the British Columbia Institute of Technology in 2003.
